From the Board Chair and CEO

Think of the excitement and pride in helping sketch a vision of our community and then with a flourish of bold, communal brush strokes creating a lasting impact on the lives of our neighbors, friends and families. Through your efforts our community foundation continues to create wonderful works of beauty and compassion. We encourage you to pick up the palette, grab a brush and continue Painting the Future.

Even through continued economic challenges the Brown County Community Foundation Board of Trustees has supported our partner agencies and organizations. Collaborating with the Career Resource Center, the Foundation secured a grant to fund Ivy Tech preparatory classes. Working closely with the CRC Steering Committee, the Foundation is committed to its continued success.

In addition to the Lilly Endowment Community Scholarship the Foundation awarded 31 scholarships to students, both traditional and non-traditional. The Foundation also actively supports enrollment in the 21st Century Scholar program at the elementary and middle schools.

While it isn’t as exciting as being able to help a person fulfill a life’s dream, the Foundation also focuses on governance ensuring integrity and public trust. The 2010 audit was completed in March of 2011 with no significant findings. The Foundation completed its re-accreditation in July 2011, to verify that each of the 74 standards for compliance were met and documented.

Finally, there is an initiative underway that encompasses the elements of everything discussed above, The Brown County Playhouse – the Next Act. The Community Foundation is playing a leadership role, not in saving a structure, but in creating a lasting impact on the community. While Brown County faces economic challenges we have the self-reliance to chart our own destiny - carpe diem. The Playhouse will not only provide economic benefits and cultural opportunities, it can unify the community. There will be opportunities for local agencies and organizations to utilize the facility for fund raising events. There will be opportunities for citizens to challenge themselves to learn new skills or enhance existing ones. Throughout this effort the Foundation is performing its due diligence. Legal counsel and our auditors have been consulted. The Governance, Finance & Investment Review Committees and the Board of Trustees have been kept informed at each monthly meeting. Over the past months the Foundation has been nurturing a cocoon, waiting for the butterfly to emerge.”

Michael Fulton, Vice Chair & Bob Kirlin, CEO

A special thanks to Judy Bowling for keeping the CEO grounded and on the right path. Her time and dedication to the Foundation is invaluable. Without her, this would be a long and hard ride. ~Bob

Memorial and Tribute Gifts

are thoughtful ways to remember special people. Along with the remembrance of each person, these gifts enable others in the community to benefit yet again from the lives of these individuals. In addition, a wedding, retirement, anniversary, birthday, a special memory of an event or group who touched your life or other special occasions, are times when people can be honored with a gift to the Foundation.

Community Service Award Honoring John D. Rudd

In 2003, the Board of Trustees of the Brown County Community Foundation established the Community Service Award in honor of John Rudd's devotion and demonstrated broad-based service to his native county. This award of Board recognition annually honors an individual (or individuals) who have demonstrated the commitment, accomplishment, and spirit of John D. Rudd. In acknowledgement of his remarkable record of service, Mr. Rudd was the first recipient of this award. The 2010 recipient was Jaydene Laros, who proudly accepted the award at the Annual Report to the Community Reception at Salt Creek Golf Retreat.

“I could not have been more surprised and honored to receive the John D. Rudd Community Service Award at the Community Foundation’s 2010 annual meeting! Looking out into an audience of well-wishers, I saw so many fellow Brown County citizens that are just as, or more, deserving of the award than I. Even dearer to my heart than this prestigious award, are the many people I have met and worked with to accomplish common goals for the benefit of this community—with John Rudd at the top of the list. I treasure the friendships developed and the insights gained from engaging with many dedicated and talented individuals. Being honored by one’s peers is an awesome and humbling experience. THANK YOU!”

-Jaydene Laros

An Investment in the Community... The Brown County Community Foundation strives to ensure that its grantmaking meets donors’ charitable interests and addresses the community’s changing needs. Grants are viewed as investments in the community that should be made wisely and fairly. Effective grantmaking requires good working relationships with nonprofit agencies. Grant recipients are the Foundation’s partners. Their ideas and capabilities determine the impact of grant investments. The Foundation gives priority to programs having measurable outcomes. Grant-making fields of interest include the areas of arts and culture, education, environment, human services, public health and other charitable purposes. Grants are made only to organizations whose intent is for charitable purposes. Most grants are made to nonprofit organizations that are classified as tax-exempt Section 501(c)(3) public charities. The Foundation operates without discrimination as to age, race, faith, gender, sexual orientation, national origin, disability or financial status in the consideration of grant requests. It will award grants only to organizations operating without discrimination. Grant seekers are encouraged to contact the Foundation for specific grant guidelines and application procedures. Competitive grant requests are reviewed by the Grants Committee and presented to the Board of Trustees for approval.
Since 1998, Brown County Community Foundation has had the privilege of awarding Lilly Endowment Community Scholarships to 26 Brown County High School Graduates. This annual scholarship will pay full four-year tuition and $800 a year for books and equipment to the Indiana public or private college of their choice. The scholarships are the result of a statewide Lilly Endowment initiative to help Indiana students reach higher levels of education. Indiana ranks among the lowest states in the percentage of residents over the age of 25 with a bachelor's degree. In 2010, Lilly Endowment awarded 216 scholarships statewide.
