This Annual Report is dedicated to Cherie Isakson who passed away in June 2013. She was a valued member of our Board of Directors. She used her strong background of non-profit management to assist our Asset Development Committee.

Cherie was Pastor of the First Presbyterian Church and a very active member of the Winchester Community. Her contributions were great and she has left a void in our community.
Evelyn Ann Abernathy was a devoted homemaker, wife, and mother who was very active in the lives of her children and family. Ann was strongly involved in the band program in Winchester, where she served as a “Band Mom,” helping various members of the band be successful in their endeavors. She even helped create the name “Band-Aides,” which still stands today as the name of the organization that sponsors the band program. While not helping with the band, Ann spent time working on the family farm and managing her home with great love. Ann was also a regular attendee of Main Street Christian Church in Winchester, where she devoted her time and talent. Ann’s genuine and heartfelt passion for others radiated in her everyday work and overflowed in every activity in which she was involved.

Upon her passing in February of 2014, Ann’s family created a scholarship in her memory to provide assistance to those individuals who are pursuing a higher education at the collegiate level. This scholarship is given to a Winchester Community High School graduate who has participated in the music program, particularly band, with consideration given to GPA. Preference is given to individuals who plan to major or minor in music or music education. This scholarship allows the Abernathy family to honor the great woman that Ann was, while giving back to those individuals who desire to also leave an impact on the world.
2013 Grant Awards
The Community Foundation of Randolph County’s mission of bringing people and resources together is reflected in how the organization operates—the gifts of individuals, groups, and businesses are invested for the purpose of providing grants for the benefit of the county. These grants may be scholarships to deserving students, or grants to a non-profit organization serving to improve the lives of Randolph County residents. Twice a year, the Foundation accepts grant requests for the funding of projects and organizations. A committee consisting of CFRC board members and community advisors reviews the grant applications and determines which grants will be funded, along with the level of funding. When making the decisions, the committee always considers the quality of the organization and its projects and programs, as well as how the residents of the county are served; the committee strives to fund projects with the highest impact to the county. Grants awarded through the semi-annual cycle are awarded from the Community Foundation’s Community Enrichment Fund and the Union City Community Fund.

2013 Lilly Community Scholars

Each year, the CFRC awards the Lilly Endowment Community Scholarship to one deserving senior in Randolph County. Applicants must meet the scholarship criteria to apply. The applications are scored by the Scholarship Committee and narrowed down to ten Lilly Semi-Finalists. The top five finalists are then interviewed by the committee, and a recipient and two alternates are selected. The 2013 Lilly Recipient was Taryn Saulmon of Winchester Community High School.

Taryn Saulmon

“Receiving the prestigious honor of being named a Lilly Scholarship recipient continues to bless my life in numerous ways. Through this scholarship, I am able to attend the college of my dreams, Indiana Wesleyan University. After completing my freshman year, I feel right at home at this amazing school. The Lilly Scholarship literally changed my life, as I would not have been able to attend this university without this distinguished award. Through this scholarship, I am blessed with the unique opportunity to further my education without having to worry about the financial burden of college. This blessing has given me the ability to focus on my education, as well as time to focus on volunteering to help my college community, where I have been able to participate in the Marion Community Easter Pageant and volunteer at the local Boys and Girls Club. I will be forever grateful for the Lilly Scholarship as it has opened many doors in my life and connected me to an esteemed group of scholars that represent excellence in the state of Indiana. I am truly blessed through this award and am thankful for the opportunity to represent Randolph County as a Lilly Scholar.”

Chelsi Wall

“The Lilly Scholarship process provided me with interview experience that has allowed me to be successful in interviews for other scholarships, leadership positions, and internships.”
- 2013 Lilly ScholarshipAlternate, Lauren Peacock

“The scholarship process was a great learning experience for me. The process helped me to think about my future a lot more and helped me to figure out what I wanted to do with my life. I didn’t realize how much the Community Foundation did for students. I definitely felt privileged to have the opportunity to apply for the Lilly Scholarship and have the chance to be interviewed by so many great people from the community.”
- 2013 Lilly Scholarship Alternate, Chelsi Wall
First of all, I would just like to describe what an honor the Lilly scholarship is. I was in shock the day they surprised me with the scholarship, and quite frankly I am still shocked today. I remember very vividly visiting my grandfather on the way home from school the day of the announcement. He met me at the door and he hugged me with tears in his eyes. My Grandpa is a very strong willed man and I had never seen him act like this before. I knew right then the volume and weight this award carried. The pure honor of the Lilly scholarship means much more to me than the blessing of the paid tuition that comes with it, and that is something I will never take for granted.

The whole application and nomination process that the Lilly requires was beneficial in so many ways. I am not exaggerating when I say that the process took every ounce of creativity, dedication, and motivation I had. I expected that going into that first informational meeting in November, and I came out a more confident and well-rounded person five months later when the announcement was made on April 1st. The nomination process helped prepare me for challenges I faced in my freshmen year of college, such as landing that first internship at the Purdue University College of Agriculture Career Fair. The Lilly taught me that hard work and preparation are the most important tools you need in order to achieve those distant goals and dreams that you may have. I am beyond blessed to be representing Randolph County as the 2014 Lilly Endowment Scholarship recipient. God is truly great.

Lilly Endowment is providing a matching opportunity for donors through the foundation from August 2014 through March 2016. The Lilly Phase VI Matching Grant program allows the foundation to match gifts to community projects. For the month of December 2014, the foundation matched gifts to the YMCA on a $1 and $2 basis. Donors to this endeavor were:

• Applegate Livestock
• Dana Brown
• Chris and Doreen Culy
• First Merchants Bank
• Frank Miller Lumber Company, Inc.
• Mrs. Barbara A. Geyer
• Mr. and Mrs. Gerald L. Greenawalt

“The raising of extraordinarily large sums of money, given voluntarily and freely by millions of our fellow Americans, is a unique American tradition. Philanthropy, charity, giving voluntarily and freely, call it what you like, but it is truly a jewel of an American tradition.”
- John F. Kennedy
Ways to Give

The important work of the Foundation and your local charities can be supported in various ways. Not sure how to give? We’ve tried to outline your options as simply as possible—each comes with unique opportunities, one of which is bound to be just right for your personal charitable giving objectives.

Bequests
One of the most popular and simplest ways to give a bequest allows you to create a legacy without taking cash out of your pocket during your lifetime. If you are considering a bequest, let us explain the many options you have and how we will make sure your gift is used as intended.

Beneficiary Designations
You can also name the Foundation as a beneficiary of your retirement plan or life insurance policy. Doing so is generally a simple process that can be easily modified at any time to meet your changing needs. Moreover, using retirement assets to fund your charitable interests is often a tax-wise strategy.

Charitable Gift Annuities
Charitable gift annuities allow you to make a donation and receive income for life. They offer a competitive rate of return and qualify the donor for a current income tax deduction. Gift annuities are often a good option for charitably-minded older adults.

Donor Advised Funds
A donor advised fund is perfect for the donor who wants to stay involved with how their gift is used. It’s also a great way to help teach children or grandchildren about philanthropy.

Named Endowed Funds
If you’d like to create a lasting legacy, consider a named, endowed fund. Establishing an endowed fund offers ongoing support for the charity of your choice and provides you with valuable tax benefits. Endowed funds may also be created in honor or memory of a loved one or friend to assure they are remembered forever.

Anonymously
Perhaps you’re a very private person who wants to support our community but doesn’t want everyone else to know. Gifts made anonymously to the Foundation assure your privacy, as well as your charitable intent.

Letter from Ruth

In 2013 and 2014, the Foundation continued to grow, reaching the $9 million mark. This growth is due to broad community support, which is due in part to the Lilly Endowment’s Phase VI Matching Gift Program. The Matching Gift Programs provides the Foundation with more money to invest in Randolph County—through grants to non-profit organizations serving the needs and interests of the county, such as the YMCA, Boy Scouts, Girl Scouts, little league teams, the Food Pantry, the Art Association, the Preservation Society and many more. It has also increased the number and amounts of scholarships available to our students.

Under Clark “Chip” Loney’s leadership as Board President, the Board established and implemented policies reconfirming the National Standards set forth through the Council on Foundations. The Foundation has been blessed with forward thinking leaders, such as Chip, to guide us through growing and stabilizing the Foundation through difficult economic times.

It is with pleasure we present you the 2013 and 2014 Annual Report showing the support received by the Foundation and the grants and scholarships distributed in Randolph County. We sincerely appreciate your support and look forward to a long future serving Randolph County.

Mission Statement

The Community Foundation of Randolph County, Inc. seeks to bring people and resources together to enrich the lives of Randolph County residents.

To accomplish this mission, the Foundation will:
• Initiate and support programs and organizations
• Provide philanthropic leadership
• Effectively direct resources of community donors
• Administer a permanent pool of endowed funds in a professional manner
• Be a community convener
• Give grants and scholarships
• Provide donor services
